Dear Mr. DelVecchio,

24 Hour Fitness has added W.I.T.S. to the list of approved personal training certifications for hire. In an effort to staff the clubs with certified and educated personal trainers, we are requesting that W.I.T.S. provides lists of recent graduates for the areas listed in the attached spreadsheet. In addition to receiving the lists for all recent graduates, 24 Hour Fitness would like to receive updated lists on a quarterly basis. The information provided will be used solely for employment purposes.
