Ms. Erin  
WITS Education

Dear Erin,

I am writing you in the hopes that Gym Matrix Uptown can be involved with the WITS Education program. We are currently developing a new group training fitness center and are looking to provide opportunities for motivating and knowledgeable trainers.

Per a conversation that I had with Mrs. Jessica Matherne, Senior Director of Gym Matrix Operations, I am requesting to obtain a list of WITS certified students that may want to be a part of our company. Additionally, I would like to submit our name into consideration to provide WITS students with a location to accumulate practical application hours.

I am personally familiar with WITS Education, as my wife is a WITS certified trainer. Thank you so much for your time, and I look forward to developing a great relationship between Gym Matrix and WITS Education.

In Health,
