Potential W.I.T.S. Clients,

The Adult Learning Center has had the pleasure of offering the W.I.T.S. program to the Hampton Roads community for over ten years. In that time the W.I.T.S. staff has always demonstrated the highest level of professionalism. All requests to them are promptly handled in a courteous and prompt manner, and their classes and instructors enjoy consistently excellent student evaluations. I am most happy to recommend W.I.T.S. to you as an excellent training provider!

Sincerely,

Debbie Turlip
