World Instructor Training School  
c/o Samantha DelVecchio

Dear Samantha,

A few months ago, you wrote to me to confirm that your team would be in contact with course updates each semester. I truly appreciate that. I am also interested in receiving the graduate lists when they become available. The request to have W.I.T.S. graduates for potential employment will be only for internal use.

Please also send the certificate for framing with the college affiliation (Butler County Community College).

Truly yours,

*Robert A. Makowski*
