

# COACH'S Fitness Club

W.I.T.S.

I am writing to you in regards to obtaining a grad list for hiring purposes. We are a small fitness club located on Taylorsville Rd. in Louisville, Ky.

Coach's is a unique club with a very personal atmosphere. We are currently looking at opening several more clubs in the Louisville area with the long range goal of opening clubs throughout the states.

As we open other clubs we will need to staff them with qualified personal providing opportunities in many areas.

I look forward to working with you.

Sincerely,

Dan Neal
