Dear Jaclyn,

Thank you for accepting my application to be an internship facility for W.I.T.S. students in the central New Jersey area. We have just added a new program and are also in the process of negotiating terms for a new and larger space. So this is an exciting time.

I would like to do what ever I can so that students are aware that Body Basics Fitness and Body Basics Boot Camps is a quality resource for students who are interested in an internship.

Please send me a list of applicants that we can solicit via email, and also please display our company logo and contact information where students can find and reach out to us.

Thank you,
