Social Media Success for Today's Trainer

<https://attendee.gotowebinar.com/register/4545375950483364099>

Determining what social media marketing strategies will be beneficial for your business can be a challenge. Many small businesses, entrepreneurs and independent contractors now need to market themselves to continue to grow their business. In this webinar we will develop several social media campaigns to reach your audience with an authentic community feel that won't take a lot of your time. You will leave this webinar with a checklist of quick and easy social media plans you can begin implementing that day!

Abby Eastman has been a WITS faculty member since 2007. She holds a BS and MS Ed in Exercises Science and has taught exercise science classes at the university and community college level. Currently she serves as online faculty for WITS and is actively personal training
